PLOMP
Borderlights, full.
Exit stage.
Then stage spots fade out.
Blackout.
Okay!
Everything looks good.

Radiant...
CLICK
I'm always looking at you.
You're always radiant.
Radiant. I long for you.

SUR
PRISE
we have a meeting—
Shido-saan,
SCRIBBLE...
Whoa!
What's that?
What's in the letter?
Yukimine-san...
It...it's nothing
Then why are you hiding it?
Is it something you don't want anyone to see?
No!
It's nothing at all!

No!
That's not it.
The person you long for, could that be Kaga-senpai?
...
"I long for you" — I saw it.
Huuh?
But you were going to give it to someone, weren't you?
So I was wrong, huh?
I see.
...

It's just something I was writing.
Yukimine-san, I promise
I wasn't going to give this to anyone.
...
You're late!
Everyone else is already there!
Shido-san
I'm sorry!
I'll help you.

?
...?
I'll come right back
After the meeting ends stay there and wait
...
That scared me...
Nobody noticed it...
The person I long for is Kaga-senpai?
Nobody knows about it, right...?
CREAK

Oh...
Yukimine-s—
Huh?
Uhm...
What happened?
Did you forget something?
FW
UMP
Yukimine-san...?
Yukimine-san...why is Kaga-senpai here?
It's okay, just leave it to me.
Senpai!
Please don't just stop like that.
Welcome Senpai! Please come in and have a seat.
Hey, the club room isn't your private office.

Kaga-senpai!
Shido-san is holding on to a love letter right now.
Huh...?
Hey, I said that's not what it is!
But that letter is really important to you, right?
Because Kaga-senpai can come up with the perfect thing to write.
Huh!?
...
Didn't I say I'd help you?
We're going to finish that letter together.
Yep...

Care to explain all of this?
Huh? What are you talking about?
...
Huh...!?
SHOCK
Shido-san.
Yes!
We're going to help Shido-san finish up her letter.
Yeah, I got that part...
Okay, no problem, then.
...
I...would be happy... to have you look at it.
Uh...
It seems like you're kinda hesitant...
Are you okay with this?

Okay Senpai, let's jump right in and take a look at the first line...
You still haven't said what it is that we're doing!
...
shock
I never thought...
Kaga-senpai could get upset like that.
But she still ended up helping even though she was mad.
And she said she'd help again today.
I'm hopeless...
She's wonderful.

This really sucks.
Ouch, that's harsh.
The part that Yukimine-san wrote, I mean.
You have a lousy way with words.
You're very blunt...
As for Shido-san's part... Well, of course she expresses her own feelings very well.
"Always glowing radiantly, I long for you".
Wouldn't you be happy if someone thought of you like that?
Yes...
Thank you very much!

Me?
Anyway, what did you write Senpai?
Because Senpai is used to hearing that.
If I said that, would she be happy?
...
...
Couldn't come up with anything?
If you need a pen, I'd be happy to lend you mine.
Look... try to figure out how we can continue this.
Hang on... I'm thinking.
Don't overthink it. It needs to come from the heart.
Hey...
Give me a break!

I wasn't talking to Shido-san.
...
Oh!
Umm, you're scaring Shido-san, y'know...
Sheesh...
Hey, I can hear you!
She can be kind of scary when she gets serious.
Yep... I was a little surprised too.
It's okay, Senpai can't be too mad.

I'm sorry for being a selfish brat.
What's that about?
This turned into a big mess, didn't it?
No...
I don't think so.
Really?
If Yukimine-san hadn't said anything, I wouldn't have been able to do this.
But I'm glad that you were able to help me with this, Senpai...
When she said she'd help, I didn't know what she had in mind though...
I don't really understand her.
Hey, you two! Quit slacking off.
All that's left is your part, right?
Hey, I proofread everything you wrote.
Senpai, you didn't come up with anything either!

Yea...
This might not be too bad.

I've always wanted to finish this letter, and because of your help it's done.
...
With this, Shido-san won't need to stay here late to finish.
As far as I can see, nothing else needs to be changed.
Senpai, you were a great help.
Thank you very much.
It was my pleasure.
Now it's all ready to be given to someone.
Yes.
I'll do it right now.
That's right.
The sooner the better.
I'm glad we managed to pull it together somehow.

Shido-san.
Could it be... you didn't really intend to give it to Kaga-senpai?
Thanks, Yukimine-san.
Because of you, I was able to finish writing it.

I just get that impression from you.
...
Why do you ask?
While we were working on it, instead of finishing the letter
it seemed like you had more fun just spending time together.
Besides, you wouldn't like it if I gave that letter to her
would you?
Anyway, she already read the letter.
So I guess it doesn't matter.

...
I'm fine with just stepping aside.
The struggle, the competition...
Don't give up, you need to face it head on.
Haven't you ever lost anything?
First of all, Senpai doesn't like me.
So you're going to give up?
I've been saying all along that I wasn't going to give it to anyone.

For me...
It'd be okay even if Senpai hated me!
Even if she hated me, even if I was afraid...
Nothing could stop me!
...

Amazing...
I couldn't do that.
Going in there like that...
Nothing could stop me!

So radiant...
Because you're like that, Yukimine-san, I long for you.
So here's your bag.
The club room's already locked.

...?
You're burning up.
What's wrong?
Hey...

That's okay.
I really don't get you.
